- ◆ **Community Outreach and Engagement Team** - The aim of the CO&E team is to : provide and equip GBUMC with opportunities to build relationships with the broader Grand Blanc community, to provide GBUMC with opportunities to engage in sharing the good news of our faith in the broader Grand Blanc community, and to communicate to the community an accurate and inviting portrayal of what GBUMC is and can be. This team is responsible for our monthly, free Community Dinners offered on the 1st Wednesday of the month from 5-6:30p, Jarring Grace, and our Blessing Bags program.
- ◆ **Appalachia Service Project (ASP)** -This Senior High Youth mission trip is taken through GBUMC every other year. Appalachia Service Project envisions the eradication of substandard housing in Central Appalachia and the transformation of everyone who comes in contact with this ministry.
